

ONDIRUN/G.C. FOSTER - SPRINTFEST

The inaugural **OnDiRun/GC Foster SprintFest** is a collaboration between OnDiRun, the premier track and field data management company in Jamaica, and G.C. Foster College, the leading Sports College in the Caribbean. This event, highlighting a limited time slot and a limited event list, will be the first of its kind in Jamaica and this staging will see athletes competing in the 100 m event only, slated to last no more than three hours.

OBJECTIVES

- To provide valuable pre-season competition for athletes in a safe environment.
- To provide a teaching/learning experience for teachers-in-training at the G.C. Foster College.
- To demonstrate the concept of a “Limited Time – Limited Events” track meet.
- To fulfill our mission statement of successfully executing our own track meet.
